

Parking Instructions for Interview Day January 26, 2018

We have reserved Lot 89 for **Interview Day** parking, which is located at the corner of Farm Lane and East Mount Hope Road. This is a large lot, so we are requesting that you park in the area highlighted by the red box. We have also reserved the shuttles so they will pick up and drop off individuals by this area. Because of the distance from the Huntington Club, please allow about a 5-10 minute wait for the shuttles and about a 5-10 minute ride. We are very sorry for the inconvenience!
